1. Attached is the third quarter, FY-1983, report on the Language Incentive Program.

2. Since most changes occur during the summer months, the Language Use Program is now showing signs of increased activity. During the third quarter, six new award-eligible Headquarters Unit Language Requirements (ULRs) have been approved for the FBIS Analysis Group. Total Unit Language Requirements and Total Award Eligible ULRs have increased in number by 40. The LIP is operating punctually with no administrative backlog in the Language School. [redacted]

3. DDA/OL and DDI/OGI have renewed their enthusiasm for the LIP, and are now again participating in the achievement and maintenance programs. New recommendations are arriving in spurts as the LIP becomes integrated into their established office routine. [redacted]
